

# STAHL™

## Sentinel CoverAll

The CoverAll pickup cap, constructed of heavy duty galvanized steel, is built for the long haul. With all-welded construction and full-length internal reinforcement ribs, the CoverAll is built for maximum durability and load capacity. STAHL Model 50 CoverAlls feature one or two drop-down side access doors per side. The Model 60 CoverAlls have one flip-up door per side. Both models have a flip-up rear door, standard, and full-height double doors available as optional equipment.

There is a CoverAll available for all major brand full-size, mid-size, and compact pickup beds. And the CoverAll features STAHL'S exclusive 5-year "No Rust or Bust" warranty.

### MODEL 50

- Drop-down side access doors with horizontal door cables provide convenient workstation.
- Fixed material tray with dividers (64 1/2" long) curbside.
- Automotive-style door seal.
- Built-in toolbox for storing supplies.
- Double panel door construction.
- Flip-up rear door with 60# gas shock door holders.
- Galvanized steel construction for superior corrosion resistance.
- Keyed-alike lock cylinders with double bit keys.
- Tempered glass windows in front bulkhead and flip-up rear door.
- T-handle latches with stainless steel handles and galvanized steel pans.
- 5-year "No Rust, No Bust" warranty.
- Options are available - call your Stahl distributor for details.
