

The STAHL ChallengerST Service Body (CST) is a rugged dependable tool box on wheels. Its sleek exterior body with full-height compartment doors enhance your company's image while giving maximum access to tools and equipment. FlexSmart™ mounting channels are incorporated into each compartment and the loadspace allowing you to configure the vehicle with optional drawers, racks, trays, etc. to fit your needs. Constructed of heavy gauge, powder coated Galvanneal steel, the CST has a minimum 44 cu. ft. of lockable, weather sealed storage space and fully concealed bolt-on compartment door hinges making the ChallengerST a great value for your business!

HIGH SECURITY / LOW MAINTENANCE

Fully hidden door hinges enhance security while their bolt-on design makes them maintenance-friendly

STRONG & DURABLE

Lock-bolt construction provides exceptional strength and durability at the same time eliminating the need for any cutting, welding and grinding which can allow corrosion to start

Body shown with optional Recessed Lighted Bumper in white powder coat and Aluminum Fuel Fill

STAHL

PROTECTION FOR VALUABLES

Keyed-alike locks on each compartment door keep valuables secure. Optional, push-pull bar locks with padlock tabs can also be added to provide a second level of security

LONG LASTING GOOD LOOKS

The service body exterior, compartment interiors and cargo area surfaces are finished in durable, corrosion-resistant white powder coat

Covered by STAHL's 5-Year "No Rust, No Bust" warranty

Full-height doors and large clear door openings allow quick, convenient access to tools and equipment

Fully hidden bolt-on hinges offer maximum security while making maintenance fast and easy
