TOOLBOXES

You have a big investment in your truck and tools. And like any investment, it makes sense to manage it wisely. **STAHL**'s Toolboxes provide uncompromising protection for your tools and supplies from loss, theft, and weather. Made of heavy-duty galvanized steel, the Model 30 and Model 50 Toolboxes will improve the resale value of your truck. The "street smart" and tested design of **STAHL**'s Toolboxes will enhance your productivity because your tools and supplies will be protected, organized, and accessible.

MODEL 50 PICKUP TRUCK SIDE BOX

Convenient and efficient, the Model 50 Side Box allows you to store long objects across the length of the box. The Model 50's material tray provides you with the ability to organize small parts for storage and easy access.
