

GARAGE HEIGHT UTILITY SERVICE VAN

UTILITY SERVICE VAN

The STAHL Garage Height Utility Service Van provides a large enclosed load space area while still providing adequate access clearance for most garages. The sleek body exterior with full-height compartment doors enhance company image while giving maximum access to all your equipment. FlexSmart™ mounting channels are incorporated into each compartment and the loadspace allowing you to configure the vehicle with optional drawers, racks, trays etc. to fit your needs. Constructed of heavy gauge, powder coated Galvanneal steel, this USV includes fully concealed bolt-on compartment door hinges and L.E.D. lights making it a great value for your fleet!

MAXIMUM STORAGE - PLENTY OF CLEARANCE

Over 350 sq. ft. of enclosed storage and an overall mounted roof height of less than 90" (excluding ladder rack) which allows adequate clearance for most

HIGH SECURITY / LOW MAINTENANCE

Hidden door hinges provide security while their bolt-on design makes them maintenance-friendly

Shown with optional Flip-Up Side Access Doors, Push-Pull Bar Locks and white powder coat bumper

Fully hidden bolt-on hinge

PROTECTION FOR YOUR VALUABLES

Keyed-alike locks on each compartment door keep valuables secure. Optional, push-pull bar locks with padlock tabs can also be added to provide a second level of security

LONG LASTING GOOD LOOKS

The service body exterior, compartment interiors and cargo area surfaces are finished in durable, corrosion-resistant white powder coat

Covered by a 5-Year "No Rust, No Bust" warranty

Optional Flip-Up Side Access Doors allow access to load space shelving

Large interior load space provides plenty of secured storage
