

UTILITY SERVICE VAN

WALK-IN HEIGHT UTILITY SERVICE VAN

The STAHL Walk-In Height Utility Service Van is your workshop on wheels. Its sleek exterior body with full-height compartment doors enhance company image while giving maximum access to all your equipment. FlexSmart™ mounting channels are incorporated into each compartment and the loadspace allowing you to configure the vehicle with optional drawers, racks, trays etc. to fit your needs. Constructed of heavy gauge, powder coated Galvanneal steel, the USV also comes standard with folding steps, grab handle and L.E.D. lights making it a great value for your fleet!

STAHL

WORK STANDING UP

72-inch vertical clearance provides enough interior height for the loadspace to be use as a work shop!

TWO LEVEL PROTECTION FOR VALUABLES

Keyed-alike locks on each compartment door keep valuables secure. In addition, push-pull bar locks with padlock tabs secure all doors on one side of the body at the same time, providing a second level of security

HIGH SECURITY / LOW MAINTENANCE

Hidden door hinges provide added security while their bolt-on design makes them maintenance-friendly

ENTER & EXIT THE WORK AREA WITH EASE

A drop-step bumper with grip strut step allows easy access to the interior work area

Push-Pull Bar lock with padlock tab

Hidden Bolt-On Hinge

LONG LASTING GOOD LOOKS

The service body exterior, compartment interiors and cargo area surfaces are finished in durable, corrosion-resistant white powder coat

Shown with Conduit Door option

Covered by a 5-Year "No Rust, No Bust" warranty
